

Did you know that for only a few cents per month, you can help someone in need right here in Laurens County just by paying your utility bill?

Join the LCWSC Coins that Care Program and make a difference in our community. Through the **Coins that Care Program**, LCWSC customers can choose to have their utility bill rounded up to the next dollar each billing cycle. The donations are then used to help residents in our community who need assistance in paying their water or sewer bill.

Donations will be distributed to LCWSC customers in need through the Laurens Baptist Crisis Center.

With the **Coins that Care Program**, your small amount of change can make a big difference.

Just complete the form below and drop it off at our office or mail it in with your payment. You can also visit our web site at **www.LCWSC.com** for more information or ask one of our Customer Service Representatives.
